Are you sure that the lab numbers are (would have been) [REDACTED]? Those numbers were submitted in 2009, but I noticed the docket number is from 2011`?

Wait a second, I mixed up my cases. I am entering a nolle prosequi as we lost a motion to suppress on [REDACTED].

Sonja,

It is [REDACTED]. But I am going to be moving this trial as an officer is unavailable. New date will probably be 4/3/12. I'll let you know.

Hi Tim-

I just received your summons for the [REDACTED] case scheduled for trial on January 5, 2012, but the lab number(s) are not listed. I looked him up in our database, and he shows up on 5 different submission dates. Out of the 6 individual submissions, I analyzed 4 of them, but I'm not sure which one(s) are for this case. Thanks.
